Civil Action No. 08 CV 6030 (GEL)

**DECLARATION OF DON KREISS IN
SUPPORT OF MOTION TO DISMISS**

I, DON KREISS, under penalty of perjury, hereby declare and state as follows:

1. I am the founder and President of Defendant Jaylyn Sales, Inc. ("Jaylyn"). I am personally familiar with the facts set forth herein. The information set forth herein is based upon my personal knowledge.

2. Jaylyn is in the business of selling primarily intimate apparel and sleepwear for ladies, children and men and, on occasion, offer miscellaneous goods, including but not limited to, sweaters, jackets, hosiery, footwear accessories and other items, which constitute a very small portion of its overall business.

3. I founded Jaylyn in 1984 and have been engaged in the business of offering intimate apparel and sleepwear for the last 35 years.

4. No manufacturer or individual has ever complained to me that I was selling infringing or counterfeit goods during my 35 years of experience.

5. Jaylyn purchases for resale, off-price closeout merchandise that are either cancelled or discontinued by customers of manufacturers and/or licensees, wholesalers and stores.

6. Jaylyn purchased GOLDTOE brand socks from defendants Hosiery Concepts and Timothy Lee (collectively "Hosiery Concepts") for resale in the United States.

7. Based on Jaylyn's prior dealings with Hosiery Concepts the past 5 years, and representations made by Hosiery Concepts, I believed that the GOLDTOE brand socks and all other brands Jaylyn purchased from Hosiery Concepts were genuine and not infringing and/or counterfeit.

8. The price paid by Jaylyn for GOLDTOE socks was not even discounted to have alerted me that such goods sold by Hosiery Concepts were not genuine GOLDTOE socks.

9. On May 8, 2008, I received a letter from Plaintiffs' counsel, Larry Jones, alerting me that Jaylyn was selling counterfeits of GOLDTOE socks and that such activities must cease. Plaintiffs' counsel also demanded that Jaylyn recall all existing inventories, provide a written assurance that it will not sell, offer to sell or advertise GOLDTOE brand socks, and produce customer lists and financial documents in connection with its purchase and sale of GOLDTOE socks, including copies of purchase orders, sales invoices and shipping documents.

10. Upon reading of the letter, I, in my capacity as the president of Jaylyn, voluntarily and immediately ceased purchasing and sale of such socks.

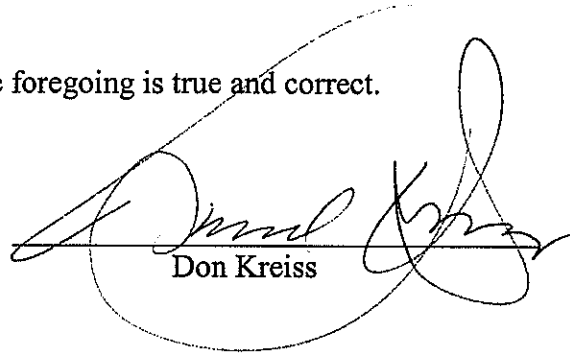

11. When I first spoke to Larry Jones in early June, I expressed that I had no knowledge of the allegedly infringing and/or counterfeit GOLDTOE socks.

12. On June 20, 2008, Jaylyn produced to Plaintiffs' counsel its sales analysis reports for GOLDTOE socks.

13. After production of the documents on June 20, 2008, I called Plaintiffs' counsel, Larry Jones several times to confirm his receipt of the documents but my repeated calls were not returned.

I declare under penalty of perjury that the foregoing is true and correct.

Dated: August 28, 2008

COMPLAINT

(JURY DEMANDED)

Plaintiffs, GAKM Resources LLC and GoldToeMoretz, LLC, by and through their attorneys, Alston & Bird LLP, for their complaint, allege on personal knowledge as to their actions, and upon information and belief as to the actions of others, as follows:

Introduction

1. This is an action at law and in equity for, *inter alia*, trademark counterfeiting, infringement and dilution, false advertising, and unfair competition. Collectively, Defendants are exporting to this country, importing into this country, and advertising, promoting, selling and distributing socks within this country bearing counterfeits of Plaintiffs' proprietary and federally registered GOLD TOE, GOLDTOE, Gold Toe Design, Gold Stripe, and AQUAFX & Design trademarks (hereinafter, collectively, the "GoldToe Marks"). Defendants' counterfeit socks were not manufactured under the authority of Plaintiffs, and Plaintiffs have not authorized the importation of those goods into this country or the advertising and sales of those goods within this country. Defendants' merchandise is likely to cause confusion and to deceive consumers regarding its source or sponsorship, and Defendants' merchandise is likely to dilute and impair the distinctive quality of each of Plaintiffs' GoldToe Marks.

The true names, whether corporate, individual or otherwise, and the addresses of Defendants DOES 1-30 are presently unknown to Plaintiffs, who therefore sue said Defendants by such fictitious names and reserve the right to seek leave to amend this complaint to reflect their true names, addresses and capacities when such information has been ascertained.

Jurisdiction and Venue

10. This is an action seeking injunctive relief, monetary remedies, other equitable remedies, and attorney's fees based upon false advertising, unfair competition, and trademark counterfeiting, infringement and dilution of Plaintiffs' GoldToe Marks for socks, such causes of action arising from Defendants' use of Plaintiffs' GOLDTOE, Gold Toe Design, Gold Stripe and AQUAFX & Design trademarks, without Plaintiffs' authorization, in connection with the sales, offering for sale, advertising, promotion, and distribution of socks in commerce, in the state of New York, and in this judicial district.

11. This Court has subject matter jurisdiction over this action pursuant to 15 U.S.C. § 1121 and 28 U.S.C. §§ 1331, 1332, 1338 and 1367, and pursuant to the Court's pendent jurisdiction.

12. This Court has personal jurisdiction over Defendants pursuant to Sections 301 and 302 of the New York Civil Practice Law and Rules because: All Defendants other than Se-Gye are present in this judicial district; Defendants transact business and solicit business in the State of New York, within this judicial district and elsewhere; Defendants have committed tortious acts within the State; and/or Defendants have committed tortious acts without the State and regularly do or solicit business, engage in other persistent course of conduct and/or derive substantial revenue from products sold or services offered within the State of New York, or expect or should reasonably expect their tortious acts to have consequences in New York State and derive substantial revenue from interstate commerce. Further, Plaintiffs have been injured in this judicial district.

13. The amount in controversy, exclusive of interest and costs, exceeds the sum of \$75,000, as specified by 28 U.S.C. § 1332.

14. Venue in this judicial district is proper pursuant to 28 U.S.C. § 1391(b) and (c) in that Defendants willfully solicit and conduct business within this district and, as a result, the acts complained of took place within this district.

Plaintiffs' Exclusive Use and Ownership of the GOLD TOE, GOLDTOE, AQUAFX & Design, Gold Toe Design, and Gold Stripe Trademarks for Socks

15. Plaintiff GoldToeMoretz is a well-known manufacturer and marketer of socks and related goods. As reflected on its websites (www.GoldToeMoretz.com and www.GoldToe.com), one of the designations under which GoldToeMoretz markets its socks is the trademark GOLDTOE, which mark GoldToeMoretz uses under license from the mark's owner, Plaintiff GAKM.

16. Through the predecessors of GAKM and the licensees of GAKM and its predecessors, the GOLD TOE and GOLDTOE trademarks have been used on socks in this

country since 1934. Through their longstanding and extensive use, the GOLD TOE and GOLDTOE socks trademarks have become quite well-known to consumers and have enjoyed tremendous commercial success. Moreover, the GOLD TOE/GOLDTOE brand has become so well known for socks in this country that the proprietary GOLD TOE and GOLDTOE trademarks each enjoy the status of a “famous” trademark, which status was obtained prior to the activities of Defendants made the subjects of this lawsuit.

17. Further, the GOLD TOE mark is the subject of several federal trademark registrations, including U.S. Trademark Registration No. 770,389, which registration issued to one of GAKM’s predecessors in 1964 and is presently owned by GAKM and licensed to and used by GoldToeMoretz.

18. Still further, the concatenated form of Plaintiffs’ brand (i.e., GOLDTOE) is also a trademark owned by GAKM, licensed to and used by GoldToeMoretz, and federally registered for use on socks, as reflected in U.S. Trademark Registration No. 3,250,352.

19. Additionally, among the other proprietary trademarks of GAKM are marks comprised of a single gold ring in the toe area of socks (the “Gold Stripe marks”). Those Gold Stripe marks, generally used in conjunction with socks sold under the GOLDTOE brand, have also become and have been famous marks for an extended period of time, and are owned by GAKM and licensed to and used by GoldToeMoretz. Moreover, Plaintiffs’ Gold Stripe marks also are the subjects of several federal trademark registrations, including U.S. Trademark Registrations Nos. 2,056,422, 2,704,278 and 3,119,227.

20. Still further, another of GAKM’s proprietary trademarks is the designation comprised of the color gold as applied to the toe area of socks (the “Gold Toe Design” mark). The Gold Toe Design mark, used since 1932, has also become and has been a famous mark for

an extended period of time, and is owned by GAKM and licensed to and used by GoldToeMoretz. Moreover, Plaintiffs' Gold Toe Design mark is the subject of U.S. Trademark Registration No. 308,608.

21. Additionally, among the other proprietary socks trademarks of GAKM are the word mark AQUAFX and the composite mark comprised of the term AQUAFX in combination with a depiction of two water drops (the "AQUAFX & Design" mark). Used since 2004, the AQUAFX word mark and the AQUAFX & Design mark are owned by GAKM and licensed to and used by GoldToeMoretz, and the AQUAFX & Design mark is the subject of U.S. Trademark Registration No. 3,006,302.

22. At all times relevant to this Complaint, Defendants are and have been well aware of the vast goodwill represented and symbolized by the GoldToe Marks.

23. Defendants are in no way affiliated with GAKM, GoldToeMoretz or their related entities.

24. Defendants are not now, nor have they ever been, owners or licensees of any of the GoldToe Marks.

Defendants' Wrongful Acts

25. In or about April 2008, Plaintiffs learned that Defendant Jaylyn was advertising, promoting and offering for sale to retailers in the U.S. and this district counterfeits of GOLDTOE socks.

26. More particularly, Plaintiffs learned in April 2008 that Jaylyn was using certain advertising and promotional materials to advertise and offer for sale counterfeit GOLDTOE socks in the U.S. and particularly in this district.

27. The counterfeit socks depicted in the advertising and promotional material have been packaged with a band upon which Plaintiffs' proprietary GOLDTOE brand is depicted very prominently.

28. Additionally, in or about April 2008, Plaintiffs received photographs from a customer of some additional counterfeit GOLDTOE socks that were being offered for sale by Defendants. These counterfeit GOLDTOE socks also bear the GOLDTOE mark prominently on the packaging and bear the Gold Stripe mark.

29. On May 8, 2008, Plaintiffs' attorney, Larry C. Jones of Alston & Bird LLP, sent to Jaylyn's President, Defendant Don Kreiss, a letter notifying Jaylyn and Kreiss of Plaintiffs' awareness of Jaylyn's unlawful actions, demanding that such actions cease, and demanding that Jaylyn provide certain information and materials. Although Kreiss and Jaylyn eventually provided some of the requested materials on or about June 20, 2008, they did not provide all of the requested materials, including, for example, copies of all purchase orders, sales invoices, and shipping documents pertaining to Jaylyn's acquisitions and sales of the subject goods.

30. Upon information and belief, Jaylyn, acting under the direction and control of Kreiss, has acquired at least some of the counterfeit GOLDTOE brand socks, including socks bearing the proprietary Gold Stripe mark and socks bearing the proprietary Gold Toe Design mark and AQUAFX & Design marks, from Defendant Hosiery Concepts. Plaintiffs only recently discovered that those acquisitions by Jaylyn have occurred over a period of time, the duration of which is not presently known to Plaintiffs. Moreover, Jaylyn may have acquired socks bearing Plaintiffs' proprietary marks from sources other than Hosiery Concepts, and the full extent of Jaylyn's trafficking in socks and other goods bearing counterfeits of Plaintiffs' marks remains to be determined via discovery in this lawsuit.

31. Upon information and belief, Hosiery Concepts, in turn, acting under the direction and control of Defendant Lee, has acquired at least some of the counterfeit socks, including socks bearing the proprietary GOLDTOE, AQUAFX & Design, Gold Toe Design, and Gold Stripe marks, from Defendant Se-Gye. Plaintiffs only recently discovered that those acquisitions by Hosiery Concepts have occurred over a period of time, the duration of which is not presently known to Plaintiffs. Moreover, Hosiery Concepts may have acquired socks bearing Plaintiffs' proprietary marks from sources other than Se-Gye, and the full extent of Hosiery Concepts' trafficking in socks and other goods bearing counterfeits of Plaintiffs' marks remains to be determined via discovery in this lawsuit.

32. Upon information and belief, Defendants DOES 1-30 have sold and/or are presently selling in various retail stores, and possibly in other facilities, socks bearing counterfeits of Plaintiffs' GoldToe Marks, which socks were acquired at various times from Defendant Jaylyn.
